In 2022, the fund was awarded **Best Performer of Emerging Hedge Funds**, and with Bloomberg Businessweek not hosting the award in 2023, we are especially proud to have achieved this recognition for two consecutive years.

This accomplishment is a direct result of the collective efforts and expertise of our dedicated business partners, skilled managers, and diligent staffs. It is their unwavering commitment to excellence that enables us to consistently deliver outstanding performance for our fund investors.

We remain steadfast in our commitment to providing high-quality portfolios and will continue to work diligently to ensure that we meet the performance targets outlined in our fund descriptions.

Thank you for your continued trust and support.

Sincerely,

Silver Kung, Ph.D
